

REMARKS

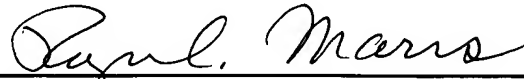

Applicant appreciates the indication of allowance for Claim 5 and Claims 8-11 inclusive. In order to expedite prosecution of the Application, Applicant has rewritten Claim 5 in the form of new Claim 17 which includes all limitations in Claims 1-5. Likewise, allowed Claim 8 has been rewritten in the form of newly presented Claim 18 which includes all the limitation of Claims 6, 7 and 8. Claim 9 has been amended to be dependent on new Claim 17, while Claims 10 and 11 have been maintained as originally submitted since they are based on Claims 9 and 10 respectively. Claim 13 has been amended to be dependent on new Claim 18 and Claims 14 and 15 have been left in their original verbiage and are based on Claim 18 respectively.

Since the subject matter of Claims 17 and 18 have been indicated as allowable, these Claims, as well as those dependent thereon, are in condition for formal allowance.

New Claims 19, 20 and 21 are based on the subject matter of new Claim 18 with the dependent Claims pertaining to the embodiment shown in FIGURES 7 and 8.

Since independent Claims 17, 18 and 19 are based on previously indicated allowed subject matter, it is believed that all Claims remaining in the Application are in condition for formal allowance which is respectfully requested.

Respectfully submitted,

ROGER A. MARRS
ATTORNEY FOR APPLICANT
